## CHURCH COVENANT

Having been led, as we believe, by the spirit of God to receive the Lord Jesus Christ, as our Saviour, and upon the profession of our faith, having been baptized in the name of the Father, and the Son, and the Holy Ghost, we do joyfully enter into covenant with one another as one body in Christ. We engage, therefore, by the aid of the Holy Spirit, to walk together in Christian love, to strive for the advancement of this church in knowledge, holiness and comfort, to promote its prosperity and spirituality; to sustain its worship, ordinances, discipline and doctrines, to contribute cheerfully and regularly to the support of the ministry, the expenses of the church. We also engage to maintain family and secret devotion, to religiously educate our children, to seek the salvation of our kindred and acquaintances; to walk circumspectly in the world, to be just in our dealings, faithful in our engagements and exemplary in our deportment; to avoid all tattling, back-biting and excessive anger, to abstain from the sale and use of intoxicating drink as a beverage and to be zealous in our efforts to advance the Kingdom of our Saviour. We further agree to watch over one another in prayer, to aid each other in sickness or distress, to cultivate Christian sympathy in feeling and courtesy in speech; to be slow to take offense and always ready for reconciliation and mindful of these rules of our Saviour—to secure it without delay. We moreover engage that when we remove from this place we will as soon as possible unite with some other church where we can carry out the spirit of this covenant and principles of God's Word.

Host Pastor, Aubrey Quakenbush led in singing, "Come, Thou Fount of Every Blessing". Herman Lineberger gave the devotion using Philippians 2:1-12, and led in prayer.
2. The host pastor extended a welcome and expressed the desire that the facilities of the building be used as needed.
3. The Moderator recognized the Program Chairman for presentation of the program. Since the Association had not been duly constituted, action on the motion to adopt the program had to be delayed.

In his introduction he pointed out the vast amount of building going on and thousands of dollars being spent on religious structures. With emphasis given on the physical, we fail in the spiritual. To build a church we must BUILD (1) a concern for souls of men; (2) consecration in lives of members; (3) reverence toward God; (4) willingness to share; (5) Christian character in lives of members.

18. Dr. James Blackmore was called on to lead the Association in prayer.

19. Aubrey Quakenbush was recognized to give information about the noon hour and led in prayer giving grace for noon meal.

There has been no revival in over 50 years now. The way to move for revival is on our knees. Dr. R. F. Marshburn announced that the Pastor's Conference of New South River Association had voted to recommend that if the State Convention declined Pineland College and E. M. I., the New South River with assistance from nearby Associations, take the institution and operate it. Dr. Marshburn told of the work being done by Pineland and E. M. I. Some discussion took place as to the response of Eastern Association. # REPORTS

## Summary of Council Meetings

The Associational Council met four times during the year. The first meeting was at Rowan on October 16, 1960. The report of the Committee on Committees was adopted. Various other reports and announcements were given.

The second meeting was held at Calvary on January 9, 1961, at which time the reports of Organizations and Committees were heard. The Missionary announced some of the events of the Associational program for the coming months. The Missions Committee made a motion to reduce the Missionary's travel allowance from $800 to $500 and list the $300 as housing allowance. After some discussion and explanation by our Missionary, the Council voted to take $200 from the salary and $200 from travel allowance and list $400 as housing allowance.

The third meeting was held at Johnson's Church on April 10, 1961. Since there was not a quorum present, no business was transacted. Various reports and announcements were made, with the suggestion that the Executive Committee at next Council Meeting consider the need of painting the Missionary's home.

The fourth meeting was held at Mt. Gilead Church. Reports from the organizations and various announcements were given. The Moderator appointed the following as Constitutional Committee (to serve at the Annual Meeting): L. H. Knott, Chm., Herman Lineberger, and John Flake. The Missions Committee gave the following recommendations: (1) That $50 of this year's Convention Expense be carried over and added to next year's budget. The purpose for this is that the Convention meets in California. A motion was made to the Council that this matter be referred to the Budget Committee in planning the budget for the year; (2) That the Missionary's Home be painted, back porch be screened and fence placed in yard to protect children from drain ditch and road; the cost not to exceed $175. This recommendation was adopted. Following a period of discussion on Pineland College being received into the Convention (1) a motion was made by Bruce Dellinger and seconded by Boyd Lambert that the Council go on record as favoring this and that the Convention Committee be informed of such action; (2) A motion was made by M. M. Johnson and seconded by L. H. Knott that the Missionary write a letter to each church urging them to observe Pineland College Day. The Missionary read a letter received from Rev. E. C. Watson, Missionary of the New South River Association asking for information or clarification on action taken at the Annual Associational Meeting in regard to making Clinton the center of our work. The Missionary then read a letter in which he replied to Mr. Watson. A motion was made by J. B. Boone, seconded by E. F. Knight that the Moderator appoint a committee to form a letter to the Executive Committee of New South River Association stating our position and intentions and that a copy be sent to each of the churches who look with favor on coming into Eastern Association. The Missionary made several announcements about the work in the Associational program.

Respectfully submitted,
Paul Mull, Clerk
D. E. Parkerson, Moderator

## Missions Committee Report

The Missions Committee has held meetings at regular intervals prior to the Associational Council Meetings this year. It has been the order of the Committee to hear reports from the Missionary on work being done in the churches of the Association. Also, to give assistance wherever possible in directing a program of work to strengthen all organizations—Sunday School, Training Union, Brotherhood, W. M. U., and other related work.

This Committee has sought to bring to the Council Meetings the suggestions and decisions made in its sessions. The Council has been very cooperative in assisting the Committee with decisions which had to be made relative to our mission program. The records of the Council Meetings will reveal considerations brought in the interest of the well-being of our Missionary as well as the work he has so capably performed.

The Council's Report to the Association will reveal the actions of the Missions Committee and Council relative to all the work accomplished. Last year at the Annual Meeting in October, a Calendar of Activities was adopted by the Association. We have been guided by the suggested activities this year. Although, no new Mission Stations have been started this year, we have looked with interest to areas where we might have new work in the future.

We must endeavor to enlist all our churches in helping us to find the needs of unchurched areas and meet them. We are gratified at the results of the Church Community Surveys held last spring in which many of the churches participated. We must follow up in this work in our planning for the years ahead.

We would ask the consideration of a long-range program of three to five years in advanced planning that we may receive the best achievements in the work to be done. The Missionary will discuss this in his report.

We wish to commend the Rev. Eugene B. Hager, our Missionary, for his relentless efforts and hard work in promoting the work in every department of our church life.

This Committee stands ready to give assistance wherever it is needed and invites your suggestions and help.

Respectfully submitted,

Millard M. Johnson, Chm.

## Missionary's Report

At least 25 of our churches have built new buildings (or enlarged old buildings) in the past 8 years, or are in the process of doing so right now. Last year, I suggested that as buildings and organizations enlarge, the need for more leaders and more training is greater than ever. I now hold that conviction more strongly than ever.

The Sunday School Leadership School this past February was held with that need in mind. The response was most encouraging—both the participation in the School and the comments made during and after the School. Of course a growing church needs a clear picture of itself and the community it serves. That was the purpose of the Church Community Surveys last April 28 - May 3.

Now, the time comes to look ahead. On the Associational level plans need to be made two and three years ahead or more. I would like to present a Three-Year Plan for your consideration. It was discussed at our last Pastors' Conference and suggestions made there have been taken into consideration. It blends with the Baptist Jubilee Emphasis through 1964.

### Three-Year Plan

1962—Church Achievement Program (Enlisting as many of our churches as possible to participate). Church Community Surveys and Follow-up.

1963—World Missions Year. Study Missions. Strengthen Mission Organizations.

1964—Third Jubilee Year. Baptist Jubilee Revival. Study Baptist History & Doctrine.

Note: The State Convention's Long Range Program will move into Region III in 1966 and extend to about 1969. We look forward to full participation in that.

It has been a privilege to render service one or more times to 29 of our churches this past year. I preached 38 times, taught S. S. 25 times, taught 4 study courses, and traveled about 15,650 miles in my work. Conferences were: individuals—267 plus; group—39; committee—31. About 240 copies of The Eastern Light were mailed each month Many meetings, clinics, and conferences have been attended and reported on through The Eastern Light and to Pastors' Conferences and Council Meetings. Your Missionary helped the State Convention in two Schools of Missions and two Church Community Surveys. During the past year we have secured a used addressograph and a new typewriter for the office.

Do not hesitate to call on me when I can be of service to your church. Many thanks for your cooperation and many kind words during the past year.

Respectfully submitted,

Eugene B. Hager, Missionary

## Sunday School Report

The Sunday School is one of the most effective agencies of the church for reaching the people, teaching the Bible, winning the lost, and training the saved to be faithful and useful church members.

It is hoped that all the Sunday Schools in the churches of the Eastern Association have kept these aims in mind as they have worked this past year. Even in the coming new year it is no time to discontinue these same goals. However, there are still some other major spearheads for advance in the 1961-1962 program. They are church enrollment; prospect visitation; and expanded organizations. Let each church take these into consideration and act accordingly.

The Sunday School work in our own Association has gone along very well this past year. Our quarterly meetings were attended by a fairly good number of workers from the various churches. We averaged for these four meetings 41 workers, pastors, and superintendents. The Central Training School held at the First Baptist Church of Warsaw February 20-24, proved to be very successful, with a large group in attendance. The associational Bible School Clinic held in April at Grove Park proved to be one of the most valuable teaching programs of the year.

There is still room for improvement. According to the estimated figures there are now 4,250,000 members of Southern Baptist Churches who are not enrolled in Sunday School, and many of these are on our church rolls. As we think about the unwon and unenlisted may each of our churches pledge their fullest support to the Sunday School work in their own locale and to the work in our Association.

The following recommendations are made:

1. Goals in training are: 125 training awards in Category 17 of the Church Study Course for Teaching and Training; 30 churches observing January Bible Study Week, January 8-12, 1962; Bible School Clinic to be held April 17, 1962.

2. Goals in enlargement: 15% increase in enrollment; 10 churches observing Preparation Week, Sept. 24-30, 1962; 3 churches engaging in Operation Home Folks; 100% participation of churches in Vacation Bible School.

## Training Union Report

In our Training program for the past year (1960-61), we had a very good year for which we are very grateful. There were three major highlights for the year as follows:

1. "M" NIGHT

Our "M" Night program was held in the Clinton High School auditorium on December 5, 1960, with 440 in attendance. The guest speaker for the evening was Rev. L. J. Morris, Secretary of the Church Programs Department of the Baptist State Convention. The theme was "Be Thou Faithful".

2. TOURNAMENTS

Training Union Tournaments were held at Immanuel Baptist Church, Clinton, on Sunday, April 10, 1961 at 2:30 p.m. The attendance for this meeting was not as good as had been hoped for. Individuals from different churches in the Association participated in each of the four drills: Adult Scripture Reading, Young People's Speakers Tournament, Intermediate Sword Drill, and Junior Memory Work Drill. I would like to challenge more of our churches to take part in the tournaments and to promote it more fully in their local church.

3. YOUTH NIGHT

A very good Youth Night Program was held at Mt. Gilead Church on Saturday night, April 8, 1961, with approximately 85 in attendance. A very interesting program was planned and participation proved it was enjoyed by the entire group. Speaker for the occasion was Rev. Bill Murdock, graduate of Shorter College and senior at Southeastern Seminary. His message was very inspiring.

As we face a new year, my prayer will be that we may strive to better train ourselves so that we may serve our church, our community, and most of all, our Lord in a greater way.

Respectfully submitted,
Charles Lee Pope,
Assoc. T. U. Director

## W. M. U. Report

"Christ for the Whole Wide World"—Woman's Missionary Union's song of the year challenges us to accept Christ's commission to be his witness unto the uttermost parts of the world. This we are attempting to do by promoting Christian Missions in our local churches through a program of:

1. World Awareness as we seek to develop an appreciation for all people and a deep concern for those who are lost without Christ.
2. Spiritual Life Development as we seek to strengthen the spiritual life of members and their families through Bible study, and by praying for missions around the world.
3. Christian Wtinessing as we seek to lead members into experiences of Christian witnessing through promotion of individual efforts in soul-winning.

4. Sharing Possessions as we seek to magnify Christian sharing of possessions.
5. Educating Youth in Missions as we seek to cultivate missionary convictions in the hearts of our youth. Each generation must be taught God's Will, and be prepared for service in His Kingdom.

All the world is not yet won to Christ. Individuals, churches, nations are not yet enlisted in missions. Many Christians have not caught the full import of the victorious message of missions, nor linked their lives to Life's highest commission.

The world's need for God is the same yesterday and today and forever. He alone is sufficient. Let us remember that Christ's command, "Ye shall be witnesses", was given to each Christian everywhere. Let us be thankful to God that he lets us serve him, and that he lets us be laborers together with Him.

Respectfully submitted,
Mrs. J. B. Sutton,
W. M. U. President

## Brotherhood Report

On every hand today there is evidence of a battle going on for the minds of men. The winner will claim their talents and time. Every day men are identifying themselves with some philosophy of life, and our churches should stand ready to stake their claims to these men. If Christ's work is to be permanent, he must have men who are strong witnesses and who will stand against the worldly concepts of the majority.

The Brotherhood exists for men. It is the channel through which they can be reached and can give expression to those ideals that emerge from a Christian experience.

One of the greatest challenges facing our Brotherhood today is the Royal Ambassador program. It is through this organization that the boys are given deeper concepts of their world obligations. This year our R. A. program will go through many changes in its organization. To acquaint our men and especially the R. A. workers with these new changes, our association will conduct a school this fall, probably in November. Each church will be notified of the time and place of this school and we would like to urge each church to face the challenge through preparation.

The Brotherhood Nominating Committee submits the following officers for your consideration:

President—Jeff Honeycutt, Clinton
Vice-Pres.—C. J. Mercer, Clinton
Secretary—Bobby Martin, Clinton
R. A. Leader—Gordon Powell, Clinton

Respectfully submitted,
Jeff Honeycutt, President

## Evangelism Report

These are tremendous days in which we live. Billions are being spent for getting men to the moon, while comparatively little is spent for getting men to God. Multitudes sit in darkness and many in despair while the forces of darkness move constantly in a dedicated abandon toward their objectives. The number of hopeless people—hopeless because they do not know Christ—grows daily. The world's population is increasing by 48,000,000 per year. All religions are winning only 10,000,000 per year.

Many of these lost people live in the territory of our association. They live near our churches. In regard to their need for God they have been deluded by the powers of darkness, and numbers of them disillusioned by the apathy and lack of dedication to Christ on the part of professed Christians. In this desperate day God's people must wake up to the fact that "business as usual" will not suffice. Surely this is the time for total dedication to Christ in His purpose of winning the multitudes to God.

To move forward we must start from where we are. Our association is the best launching place for new frontiers in evangelism and missions.

Therefore, we recommend:

1. That we encourage ourselves in the Lord our God for the resurging interest in evangelism across our Convention, continuously praying that God may work in us and through us to bring the revival we need.
2. That our association participate in the "Baptist Jubilee Revivals" in 1963 and 1964. Our dates are as follows: 1963, spring; 1964, spring.
3. That each church prayerfully and studiously consider participating in the Baptist Jubilee Revival, and that special emphasis in all revivals and week by week evangelism throughout the year be placed upon personal, face-to-face, heart-to-heart soul-winning and faithful teaching and preaching of the Gospel.
4. That all churches make full use of the Revival Plan Book for 1963 and 1964, supplied free to all pastors by the Division of Evangelism, Baptist State Convention. Reprints of portions of the book are available for members of the church councils.
5. That our association have an Evangelism Clinic following the suggested program supplied by the Division of Evangelism. The date for our next Clinic is March 1, 1962.

## CHURCH COVENANT

Having been led, as we believe, by the spirit of God to receive the Lord Jesus Christ, as our Saviour, and upon the profession of our faith, having been baptized in the name of the Father, and the Son, and the Holy Ghost, we do joyfully enter into covenant with one another as one body in Christ. We engage, therefore, by the aid of the Holy Spirit, to walk together in Christian love, to strive for the advancement of this church in knowledge, holiness and comfort, to promote its prosperity and spirituality; to sustain its worship, ordinances, discipline and doctrines, to contribute cheerfully and regularly to the support of the ministry, the expenses of the church. We also engage to maintain family and secret devotion, to religiously educate our children, to seek the salvation of our kindred and acquaintances; to walk circumspectly in the world, to be just in our dealings, faithful in our engagements and exemplary in our deportment; to avoid all tattling, back-biting and excessive anger, to abstain from the sale and use of intoxicating drink as a beverage and to be zealous in our efforts to advance the Kingdom of our Saviour. We further agree to watch over one another in prayer, to aid each other in sickness or distress, to cultivate Christian sympathy in feeling and courtesy in speech; to be slow to take offense and always ready for reconciliation and mindful of these rules of our Saviour—to secure it without delay. We moreover engage that when we remove from this place we will as soon as possible unite with some other church where we can carry out the spirit of this covenant and principles of God's Word.

Evangelism Report — Jack Mansfield stated that the purpose of the Church is not to exist for itself, but to win men, women, and children to Christ. He read the five recommendations listed in the printed report. He gave a story to point to the need of witnessing by Christians, and moved the adoption of the report. Report adopted.

46. Special music was presented by the host church.

47. Bro. Gordon Weekly, Pastor of the Providence Church in Charlotte, brought the Missionary Message speaking on the subject of "Big Game Hunting in Africa." He stated that you can't really appreciate missions unless you can go and see the conditions under which our servants labor. He said that game hunting was a big business in Africa—$30 for license for a safari, $100 extra for hunting a lion. Our hunters are the men and women who have gone there to hunt for

souls. They labor for a salary of about $2,000 a year. He stated that Ernest Hemingway gets $3,000 for a five week safari. The weapons our hunters use are the Word of God, a compassionate heart, a willingness to become all things to all men to get things done.

48. J. C. Mitchell a former pastor in the Association was called on to give the prayer and blessing on the noon meal.

## AFTERNOON SESSION

49. The afternoon session opened with prayer by Jim Brisson after which he led the singing of the hymn, "I Love To Tell The Story." Billy Washburn read the scripture and led in prayer.

51. Special music was presented by the Grove Park Quartet accompanied by Mrs. Bruce Dellinger.

52. Dr. John Kincheloe brought the Doctrinal Message defining doctrine as a teaching. He spoke on the commission, Go and make disciples, stating that the mandate of both Old and New Testaments was Go Preach. He pointed to the (1) Message (2) Method (3) Motive, stating that man is a rebel, sin destroys, Christ saves. Some would feel that the world could be saved at the conference table, some feel that military might is the hope of man. He stated that only God can save the world.

53. BUSINESS

A motion was made that the Committee on Place and Preacher give a report at the first council meeting following the Annual Session.

Milton Boone, Moderator; M. M. Johnson, Vice Moderator; Amos Brinson, Treasurer; Mack Herring, Trustee (term expiring in 1965).

55. The incoming Moderator stated he would appoint the Committee on Committees after the close of the Afternoon Session and inform those appointed.

56. Milton Boone led in prayer bringing to a close the 135th Annual Session of Eastern Association.

## SUMMARY OF COUNCIL MEETINGS

The Associational Council met four times during the year. The first meeting was at Grove Park on October 9, 1961. The report of the Committee on Committees was adopted. Various reports and announcements were given. Some discussion was considered as to Pineland College being received as an institution of our Baptist work. A motion was made that the Moderator appoint a committee to study this matter. Discussion concerning the possibility of a Seminary Extension Center in our Association led to a motion that a committee be appointed to look into this matter.

The second meeting was held at Piney Grove on January 15, 1962, at which time the reports of the organizations and committees were heard. The Missionary announced some of the activities and events in view for the year. A motion was made that approval be given the request of Calvary Church to the State Convention for Pastoral Aid. The Christmas gift for the Missionary and family was aproved. L. H. Knott resigned as Moderator due to leaving the Association. Mack Herring became Moderator and a motion was made that the Comittee on Committees study and report on the election of a Vice-Moderator.

The third meeting was held at Immanuel on April 9, 1962. Reports of the organizations were presented. The Committee on Committees announced the nomination of M. M. Johnson as Vice-Moderator. A motion was made and carried that he be elected by acclamation.

The fourth meeting was held at Kenansville on July 9, 1962. Various reports and announcements were given. A motion was made that the report of a previous meeting of the Executive Committee be given at the Annual Meeting due to the Associate Clerk not having these minutes in the absence of the Clerk.

Respectfully submitted
Paul Mull, Clerk

## Missions Committee Report

The Missions Committee has met prior to each Council Meeting held this year. It has been the aim of this Committee to study the reports of our Associational Missionary and help with suggestions for advancement in all departments of our work. These suggestions have been presented to the Council for approval. The Associational Council has been very helpful as we have sought to carry out the calendar of activities adopted by the Association last fall.

We have sought to enlist every church in the training programs sponsored by the Association. These training programs are under the direction of Sunday School, Training Union, Brotherhood, W. M. U. and also evangelism. The churches have been very cooperative in attending these meetings held monthly and quarterly during the year.

Special attention has been given to the long-range program adopted by the Association last year. This program is well on its way. Emphasis will be placed on every phase of our work in the churches.

We want to urge our people to give special attention to our effort in evangelism next March and April. All churches are asked to cooperate in the Jubilee Revivals.

Your suggestions and help in reaching unchurched areas near your churches will be greatly appreciated.

We wish to commend our Associational Missionary, the Rev. Eugene B. Hager, for his vision and planning a very successful work this year throughout the Association.

Respectfully submitted,
Millard M. Johnson, Chm.

## Missionary's Report

This past year seems to have been a year of action on many fronts in Eastern Association. On the building front, Faison, Calvary, and Mt. Olive First began using new buildings during the year. Grove Park will soon have a new building and Corinth has enlarged and renovated her building.

On the Vacation Bible School front, we had one of the best Bible School Clinics ever in Eastern. And for the first time every church had a Vacation Bible School if we include two which participated in Community Schools.

On another front, the year saw the beginning of a new Royal Ambassador Program. Your Missionary led two clinics — one in Clinton and one in Warsaw — to explain the new R. A. organization.

On the teaching front reports for the entire year are not yet available. But through June, thirteen of our churches had received 504 study course awards. It was my privilege to teach the Home Missions book **Glimpses of Glory** to the W. M. U.'s of 12 of our churches, and the Bible Study Week book on Jeremiah in 3 of our churches.

Then there was Action Night, "M" Night, a Clinic on Evangelism, Youth Night, T. U. Tournaments, V. B. S. Clinic, W. M. U. Annual Meeting, four Council Meetings and many other activities. You will hear about many of these from others on the program. From where I stand it is apparent that the Association and its churches are offering a greater variety of activities than ever before — activities designed to help each Christian and each church to grow in effectiveness in the Lord's work.

In 1963 we have scheduled a clinic to offer training to the leadership of our Missionary Organizations: Brotherhood, R. A., W. M. S., Y. W. A., G. A., and Sunbeam. It will be held February 25 - March 1. We are also hoping to have a School of Music. So many have expressed a desire for another week of study for Sunday School teachers (similar to the one last year) that we are planning one for 1964.

During the past year I was able to render some type of service one or more times in 32 of our 39 churches. Here are a few statistics: I preached 33 times, taught Sunday School 13 times, taught 13 study courses, conducted Prayer Meeting 4 times, met with pulpit committees 6 or more times, and traveled about 16,424 miles in my work. Conferences were: individuals — 337 plus; group — 60; committee — 32. About 250 copies of The Eastern Light are mailed each month. I helped the State Convention in one School of Missions and two Church-community Surveys.

Thank you for your cooperation and your many kind words and deeds. If I can be of service, please call on me.

Respectfully submitted,
Eugene B. Hager

## Evangelism Report

As one reads in John 1:14-42 these words: "He first findeth his own brother Simon, and saith unto him, We have found the Messias, which is, being interpreted, the Christ. And he brought him to Jesus." he or she cannot help but believe that Andrew was establishing a precedent for all people interested in bringing people to meet Jesus. That precedent is a concern for others who do not know Christ as personal Saviour.

It is hoped that this concern has been manifested in all of our churches here in the Eastern Association this past year. We will do well to recognize the same field that our Lord saw when he was upon earth, the field which he called "white unto harvest." When we see the astounding figure that tells us it takes about 24 church members to win one person to Christ, on the average, it puts greater emphasis upon the words of the great commission that says, "Go ye."

May each of us look at the number of baptisms recorded in our church for this past year and then having looked ask ourselves this question: Have we done all that we could have done to win the lost?

The call of God to go after the lost in our own confines should be taken personally by every member of our Baptist churches, as Andrew did when he found the Lord and wanted to share Him with his brother. The time to start doing this is now and may each of us pledge that in the new year we will be a soul winner for Christ.

The Evangelism Committee makes the following proposals:

1. That we participate in the "Baptist Jubilee Revivals" in the Springs of 1963 and 1964.

2. That our Association have an Evangelism Clinic for Pastors and laymen, following the suggested order of the Department of Evangelism here in the State. The date to be February 4th at Grove Park Baptist Church.

3. That every church have at least one revival during the year and at the time of revival every member of that church give their whole hearted support to the campaign.

4. That more time be spent in prayer by the members of the various churches for those in their own locale who are lost.

5. That each church promote some program of training the new converts that they might be held in the church and become faithful and conscientious Christians.

Respectfully submitted,

Jack Mansfield

## Sunday School Report

The Associational Sunday School organization exists to help and promote the work of the Sunday School among the various churches here in Eastern Association. The Sunday School is one of the greatest arms of the church for reaching people, for teaching them the Bible, for wining them to Christ, and for enlisting them in Christian service and stewardship.

In most churches a greater number of people come to Sunday School than to any other meeting or organization within the total program. It is hard for us Baptists to realize that more people hear a Sunday School lesson taught than hear a sermon preached at any one of the worship services—morning, evening, or mid-week prayer service. Likewise, we need to wake up to the fact that more lost people come to the Sunday School than to any other of the organizations or services of the church. It is easier to get a man to come to Sunday School to study the Bible than it is to get him to worship service to think about his eternal salvation. The average unsaved person who does not attend church or Sunday School has one chance in two hundred and forty-three of becoming a Christian during any given year. But, if this man starts attending Sunday School his chances of becoming a Christian is one in three — he is eighty times more likely to become a Christian if he is enrolled in Sunday School.

It is imperative that the Sunday Schools in this fellowship of churches do more than just set goals that are filed away and forgotten. Our people must be taught through home study and study courses how they can better serve the Lord through the Sunday School. Our teachers need to study both the Bible and books on methods of teaching if they are to be the instruments through which God can affectively work. Since it is a known fact that small Sunday School classes grow more quickly than larger ones do, and since new classes being started periodically virtually insure Sunday School growth, your Sunday School Superintendent would like to challenge every church in the Association to start at least one new class next year; larger churches should start more than one. Every Sunday School class should have at least two representatives going as a team to visit prospects every week. Prayer and missionary concern go hand-in-hand with the Sunday School.

During the past year our Quarterly Meetings have been well attended. Last fall on Action Night over 150 workers from the churches were challenged by our State Sunday School leaders.

Respectfully submitted,

Boyd L. Lambert, Chm.

## Training Union Report

Training Union work in Eastern is so planned that three major emphases are made during the entire year. They are:

1. "M" NIGHT

The "M" Night program was held in the Clinton High School Auditorium on December 4, 1961 with 414 attending, and 21 churches represented. The guest speaker was the Rev. Ernest Upchurch of the Church Development Department of the Baptist State Convention of North Carolina. Mrs. Margaret Lloyd of Warsaw First Church rendered beautiful special music. The theme of the program was "Lengthen . . . and Strengthen".

2. YOUTH NIGHT

The Youth Night program was held in the Grove Park Church on April 7, 1962 with 129 attending. There was a good representation from 16 churches. A fine program, which consisted of fun, food, and fellowship in abundance, was enjoyed by all. Those present were divided into discussion or "Buzz" groups for discussions which were led by an adult. An inspirational speaker from Southeastern Seminary closed the program with a timely message to young people.

3. TOURNAMENTS

Training Union Tournaments were held in the Warsaw First Church on April 8, 1962 at 3:00 p.m. Representation from the churches was not what it should have been, though we did have a representative in each of the four tournaments except in Adult Scripture Reading. Let us, as an Association, and yet as individual churches, make an effort to promote these four tournaments more fully next year and attend the tournament in April more creditably.

Above all else in the challenging year which is ahead let us remember that trained people get the job done more fully — in the churches as well as elsewhere. Let us also strive to "plan our work" in order that we may "work our plans" — all for the growth of our churches and for the glory of God.

Respectfully submitted,
D. E. Parkerson

## Report of Woman's Missionary Union Eastern Baptist Association

This is the third year of our Jubilee Advance, with emphasis on church extension. I am happy to report the following extensions in our association:

1. We have organized a Woman's Missionary Society at Union Grove, which completes the organization of Woman's Missionary Societies in all of our thirty-nine churches.

2. We have reorganized the Sunbeam work at Magnolia.

3. We have organized the second Woman's Missionary Society at the First Baptist Church in Clinton, with one society meeting in the afternoon and the other at night, which makes it possible to reach more women.

Our Woman's Missionary Union has observed seventy-five days of prayer, which began July 18, and continued to Oct. 1, in preparation for our seventy-fifth anniversary which we shall celebrate in 1963.

Many Prayer Retreats have already been held, and others are in progress to quicken within our people a sense of responsibility for

zealously carrying out the Great Commission — "To go into all the world and Teach."

We held our Leadership Conference in October at Rowan Baptist Church with one hundred and thirty-seven ladies coming for a program of training which was led by the associational officers.

Our annual Woman's Missionary Union meeting in April was held at the New Hope Baptist Church with two hundred and twenty-five missionary women attending. This was a great meeting with Mrs. Beverly Ho, a missionary from China, and Mrs. R. L. Costner, state community mission chairman, challenging us to be Christian through and through, and to be busy telling others about Jesus.

Woman's Missionary Union is a dynamic organization influencing the whole church for missions. We shall continue to spread the Gospel, for we are "Laborers together with God."

Respectfully submitted,
Mrs. Edwin Peterson,
Acting President of
Woman's Missionary Union
Eastern Association

## Historical Commission

The Historical Commission is an agency of the Southern Baptist Convention which is supported by funds contributed through the channels of the Cooperative Program. The Commission serves the Convention, its agencies, the State Conventions, and Associations in every area of Baptist history. Offices are maintained in the Sunday School Board building, 127 Ninth Avenue, North, Nashville, Tennessee, where the Commission with the Board jointly operates the Dargan-Carver Library housing the historical collection of Baptist materials.

The Commission joins hands with state history agencies in encouraging the churches and associations to observe anniversaries, preserve historical materials, and write and publish histories. In so doing, the churches and associations assist in accomplishing the purposes of the Commission. An effort is made to procure all the published materials about Baptists and preserve them for future generations.

In co-operation with the Jubilee Celebration of 150 years of organized work in North America, every church should have a committee at work planning for an appropriate observance of its anniversary during 1964. The congregation will be enlightened as it reviews its history and understands its heritage of evangelism and missions.

Churches and associations likewise are encouraged by the history agencies to preserve biographical information about pastors and church leaders, and file the data in the **Church Book of Remembrance.** Copies of this information is desired by the state and Southern Baptist historical agencies.

Every church and association should have its minutes and official records microfilmed, thereby preserving them against possible damage or destruction by disaster or negligence. Church records should be updated on microfilm every five years to assure the preservation of the records.

Respectfully submitted,
James M. Nicholson
Director of the Baptist Collection,
Wake Forest College

## PETITIONARY LETTERS

**Parkersburg Baptist Church**
**Parkersburg, N. C.**
**October 10, 1962**

To the Eastern Baptist Association:

A year ago our church was presented with a plan asking Churches in the southern tip of New South River Association to consider moving to the Eastern Association in order for a better balance in location of Churches within the two associations. Action was taken on this matter by the Church and we were admitted into the Eastern Association.

Since this plan did not materialize and we were the only church conseting, by a vote of the members of the Church, at our regular scheduled conference, held on October 4, 1962, we are asking withdrawal from the Eastern Association in order to re-enter the New South River Association. We are requesting a letter of recommendation from the Eastern Association to the New South River Association.

If a similar plan is presented in the future whereby all Churches concerned will act together, we shall be glad to cooperate again.

Fraternally yours,

Rev. E. L. Anderson, Pastor

Mrs. E. L. Anderson, Clerk

**Poston Missionary Baptist Church**
**October 8, 1962**

Eastern Baptist Association:

After a prayerful study of the factors and opportunities involved the Poston Baptist Church at Wallace, North Carolina voted unanimously to enter the Eastern Association. This action was taken upon the conviction that the church can serve Christ more effectively through this association. The Poston Church was organized in October 1958 and has 205 members.

We hereby apply for membership into the Eastern Baptist pending a letter of dismissal and recommendation from the Wilmington Baptist Association in which we now hold membership.

Mr. Bennie Teachey was elected to serve as a representative to the Associational Council for the coming year.

This action was taken in conference on September 23, 1962.

Sincerly Yours,

Leonard Quick, Moderator

Mrs. Louise Hardison, Clerk

The fifty-fourth Annual Meeting of Woman's Missionary Union of the Eastern Association was held April 10, 1963, at Mt. Olive Baptist Church. On this occasion WMU celebrated its 75th Anniversary using as its theme: "The Gifts of God".

After an organ prelude, the meeting was opened with singing of the hymn "To God Be The Glory".

Mrs. James Blackmore brought an inspiring devotion on "The Gifts of God" and challenged us to be good stewards of God's gifts.

Mrs. Tom Shaver, WMU President of Mt. Olive Church, welcomed the group.

Mrs. Edwin Peterson, Associational WMU President, presided over the business session. The new pastors, their wives and visitors were recognized, also different organizations that had won recognition in 1962. Rose Hill GAs was our only Honor organization. Poston Church was welcomed as a new church to join our Association.

The roll was called by the secretary with 224 people attending, representing 34 churches. The minutes were read and approved. The following committees were appointed: Time and Place, Mrs. Herbert Cottle, Mrs. Robert Knowles and Mrs. W. L. Crumpler; Appreciation, Mrs. Waldo Early, Mrs. H. C. Cook, and Mrs. Henry Wilson.

Special music was rendered by the Mt. Olive High School Choral group. Mrs. Emily Walkingstick from the Cherokee Reservation brought an interesting message on the Indian people and their needs. At the suggestion of Mrs. T. N. Cooper, an offering was taken in the amount of $142.33 to be sent to the Indian Reservation to help with the missionary work there. Mr. Walkingstick sang "Jesus Loves Me" in the Indian language.

Mr. Milton Boone, pastor of host church, dismissed the morning session with prayer and returned thanks for the noon meal.

A dramatization entitled "Yesterday's Woman" was presented by the Associational officers. Great WMU women of the past seemed to come alive as our Associational officers dressed in costume stood in a quilted diamond shaped picture frame while a life sketch was given of Miss Webb, Miss Shuck, Mrs. Graves, Miss Armstrong, Miss McIntosh, Miss Moon and Miss Heck.

Mrs. M. B. Holt, Mrs. N. T. Cooper and Mrs. Aubrey Quakenbush took us through 54 years of past history of the Eastern Association. mentioning the outstanding leaders and their accomplishments.

## CHURCH COVENANT

Having been led, as we believe, by the spirit of God to receive the Lord Jesus Christ, as our Saviour, and upon the profession of our faith, having been baptized in the name of the Father, and the Son, and the Holy Ghost, we do joyfully enter into covenant with one another as one body in Christ. We engage, therefore, by the aid of the Holy Spirit, to walk together in Christian love, to strive for the advancement of this church in knowledge, holiness and comfort, to promote its prosperity and spirituality; to sustain its worship, ordinances, discipline and doctrines, to contribute cheerfully and regularly to the support of the ministry, the expenses of the church. We also engage to maintain family and secret devotion, to religiously educate our children, to seek the salvation of our kindred and acquaintances; to walk circumspectly in the world, to be just in our dealings, faithful in our engagements and exemplary in our deportment; to avoid all tattling, back-biting and excessive anger, to abstain from the sale and use of intoxicating drink as a beverage and to be zealous in our efforts to advance the Kingdom of our Saviour. We further agree to watch over one another in prayer, to aid each other in sickness or distress, to cultivate Christian sympathy in feeling and courtesy in speech; to be slow to take offense and always ready for reconciliation and mindful of these rules of our Saviour—to secure it without delay. We moreover engage that when we remove from this place we will as soon as possible unite with some other church where we can carry out the spirit of this covenant and principles of God's Word.

Every Christian ought to be a missionary. There are many reasons: (1) The obligation in Christianity itself; (2) The need of a lost, miserable world; (3) Our own future. Shall we play while people die? Shall we give pennies to God, and waste dollars on ourselves? God and the world wait.

The Bible is a missionary and evangelistic book. The forming of the Covenant is more important than the law. The incense burned all day, reminding the people they were a nation of priests. The candles burned at night in seven golden candlesticks to remind them they were the light of the world. Evangelism involves: (1) the Doctrine of Creation; (2) the Doctrine of Christian Revelation (God disclosing himself to man); (3) the Doctrine of Incarnation; (4) the Doctrine of the Christian church; (5) the Doctrine of Stewardship (locally). Evangelism is relating the Gospel to the world's torments. It is related to releasing man from sin.

Tull of Southeastern Seminary and to Rev. M. O. Owens of Gastonia for messages. Jack Mansfield seconded the motion and the motion was adopted.
A motion was put on floor for the Moderator to appoint a committee to study the possibility of having a Tuesday or Thursday evening and night session with an evening meal, in order that some who work or are in school might attend the Annual Association. The motion was seconded but defeated by a majority vote.

The Associational Council met four times during the year. The first meeting was at Grove Park, Oct. 15, 1962. The minutes of the second day of the Annual Meeting were read and approved. Lauren Sharpe presented a recommendation from Boyd Lambert that Bruce Dellinger be added to Sunday School Officers as Young People's Leader and Charles Tanner as Superintendent of Training. Report adopted. There was some discussion regarding when the Minutes of the Second day of the Annual Meeting should be read. The matter was referred to the Constitution Committee for study, report to be made at the next Annual Meeting. The Committee on Place and Preacher named Hugh Ross Williams to bring the Annual Sermon and Bruce Dellinger as alternate. Report adopted. The Missionary stated the need of having a representative to the Annuity Board. A motion was made that one be elected. Brother Mack Herring was elected by acclamation. Other reports and announcements were made.

The second meeting was held at Mt. Vernon on Jan. 14, 1963, at which time the reports of the organizations and committees were heard. A motion was made to approve the action of the Executive Committee in approving the request for aid to Calvary from the State Convention. Motion carried. There was some discussion about the possibility of our R. A.'s and G. A.'s having a summer camp program at Pineland College. A motion was made that the Moderator appoint a committee to study and report to the churches on the project. Motion carried. The Moderator appointed the following committee: Mrs. Edwin Peterson, chairman, Jeff Honeycutt, Gordon Powell, and Mrs. W. B. Hawes. The Missionary gave his report including the dates of several meetings.

The third meeting was held April 15, 1963, at Magnolia, at which time the reports of organizations and other announcements were made. A motion was made to approve the action of the Executive Committee in nominating John A. Johnson, of Warsaw, as Associational Sunday School Superintendent to replace Boyd Lambert. Motion carried. A report to the inquiry concerning an extension program in our Association was not sufficient to attempt such an effort at the present; so the matter was tabled so that the matter could be opened at a future date. A motion was made to adopt the report and recommendation. Motion carried. Dr. R. F. Marshburn expressed thanks to those who responded with books and other materials following the fire at Pineland College.

The fourth meeting was held at Union Grove, July 15, 1963. Various reports and announcements were given. The Moderator appointed the Constitution Committee as follows: Lauren Sharpe, T. N. Cooper, Arnold Keaton. Dr. L. H. Hollingsworth, Chaplain of Wake Forest College, was present to discuss the Wake Forest College and to discuss the Wake Forest Trustee Proposal.

Respectfully submitted,

Paul Mull, Clerk

## MISSIONS COMMITTEE REPORT

The Missions Committee has held meetings prior to each quarterly meeting of the Associational Council this year. The Committee received reports from our Missionary of the work done; and, his suggestions about work that needed to be done. These reports and suggestions were studied by the Committee and presented to the Associational Council. The Council helped with the carrying out of the suggested work of the Missionary and Committee.

We have sought to work by the Calendar of Activities adopted by the Association at the Annual Meeting last October. The long range plan for our work adopted year before last offers us an opportunity to accomplish a better work.

The purpose of our Committee is to make suggestions and receive suggestions and guide in making the Associational program as helpful as possible. This, of course, is with the assistance of our Missionary who has done an outstanding year's work as his report will evidence.

We have been encouraged by the cooperation of the churches in the Associational program. We would urge that every church plan to have a part in the meetings planned on the Associational level.

Next year should be a good year with every church having a part in the Jubilee Revivals being planned by our Association, March 8-22.

Your suggestions and help in reaching unchurched areas near your churches will be greatly appreciated.

Respectfully submitted,
Millard M. Johnson, Chm.

## MISSIONARY'S REPORT

We are now on the threshold of 1964 — the Baptist Third Jubilee Year. 150 years ago, under the influence of Luther Rice, the Triennial Convention was formed to support missions. There had been Baptist churches and associations earlier, but this was the first convention — the first organized Baptist work on a scale larger than the association — in North America.

We urge our churches to participate in the Baptist Jubilee Revivals, March 8-22, 1964. We also urge them to study Baptist history and doctrine during the year. If the Association and your Missionary can help, call on us.

Looking beyond 1964, I would like to suggest the following long range plans:

1965—Central School of Study for Sunday School Teachers.

1966—Participation in the State Convention's Long Range Program of Advance for Region III.

1967—A School of Missions, preferably in the Fall (so that the emphasis will be on Foreign Missions since it was on Home Missions last time).

This past year our special emphasis week was a Central School for the leadership of our Missionary Organizations (Brotherhood, R. A., W. S., G. A., Y. W. A., and Sunbeams). It snowed that week, but we managed to hold the school anyway.

I feel that the quality of many of our regular meetings was better than ever this past year: Bible School Clinic, Youth Night, W. M. U. Annual Meeting, "M" Night, and others. We were privileged to have the Region III Training Union Convention meet in the Rowan Church in our Association.

During the past year it has been my privilege to render some type of service one or more times in 25 of our churches. In addition, I visited services or meetings in at least six others. Here are a few additional statistics on my work in the association during the past year:

Preached—29 times (not counting several times outside the association); Taught Study Courses — 10 times; Gave program at 3 Brotherhood Meetings; Met with Pulpit Committees—6 or more times; Attended 32 meetings in Eastern Association; Attended 18 meetings outside the Association; Conferences: Individual—287 plus, Group—62, Committee—12; Miles traveled—approximately 15,000 (in my work); Prepared Book of Reports, Calendar of Activities and other materials; Mailed about 260 copies of The Eastern Light each month; Helped the State Convention in three Church-Community Surveys.

If I can be of service to you or your church, please call on me.

Respectfully submitted,

Eugene B. Hager

## EVANGELISM REPORT

The way things now stand, at the close of another church year, this may prove to be one of the best years in our association, in the area of evangelism. Many of the pastors have reported to me of numerous additions and of spiritual unsurges in a large number of our churches. This always gives us great cause to rejoice. However, we all know that there is still much to do. We know that numbers mean nothing unless those won can be enlisted and used influentially in these same churches.

The days of the lost coming to the church in great numbers at revival time or during the church's regular services are in the past. Therefore our definition of evangelism and winning the lost must take on a new perspective. Jesus gave us the answer to what real evangelism is when He said ". . . I send you forth." He well knew that even then the disciples must go out and knock on the doors and compell them to come in, or some would never meet the Master. This we must do in our church today also. They are not going to come in until we go and encourage them to do so. Evangelism then is not the annual meeting, that lasts for one week or two, but it is a perennial program of constant visitation and witnessing leading up to revival time and even after it is over with. So in this coming year let each of us promote this "Visitation Evangelism" in our own area.

March 8-22 is the date set in 1964 for the Eastern Association's part in the "Baptist Jubilee Revival." This is to be a simultaneous crusade of all our churches, along with many other churches in North Carolina. I hope your church is planning even now to participate.

I would like to take this opportunity to thank all our pastors and lay people for their contribution to the field of evangelism in our association this past year. I pray that next year will even be a greater one as the Lord sends us forth.

The Evangelism Committee makes the following proposals:

1. That we participate in the "Baptist Jubilee Revival" to be held March 8-22, 1964.
2. That our Association have an Evangelism Clinic for pastors and laymen, following the suggested order of the Department of Evangelism here in the State. The date to be February 18th at Immanuel Baptist Church.
3. That a program of some type of visitation be carried on in each of our churches as a concerted effort of bringing the lost into the churches to hear the Gospel proclaimed.
4. That every church have at least one revival during the year.
5. That each church promote some program of training the new converts, that they might be held and used.

Respectfully submitted,
Jack Mansfield

## SUNDAY SCHOOL REPORT

Realizing that the primary aim and objective of every Sunday School is, as it should be, the winning of the lost to Christ, the Sunday School Organization will strive in the year 1963-64 to accomplish the following goals:

1. We will seek to enlist and train officers and teachers in all churches throughout the Association.
2. Through each training program conducted, either on a single church basis or an Association wide program, we will promote the theme "Outreach for the Unreached". This theme being defined more accurately would read, "When better Sunday School lessons are taught, more people will hear them".
3. Our major effort for the ensuing year will be directed toward the elevation and maintenance of the quality of our Sunday School work. We will not seek to compile figures or statistics, but rather to achieve the highest possible degree of effectiveness in our Bible teaching.
4. The Sunday School organization will make available to every church in the Eastern Association any and all literature and other helpful materials at our disposal. In addition to the planned Officer-Teacher Clinics, the Sunday School Department will offer its assistance to all churches which feel the need of improving its Bible teaching.

Someone has said that "Life is not a cup to be drained, but a measure to be filled". This then will be our goal for the year 1963-64. To fill our Sunday School Cup with greater and more lasting accomplishments. This will not be an easy task or one cheaply earned, on the contrary it will require loyal devotion, dedication and above all the wholehearted cooperation of all our Sunday Schools, united in a desire to get out of the "Old Rut" in the year 1963-64 and really "REACH" some SOULS for Christ.

Respectfully submitted,
John A. Johnson, Chm.

## TRAINING UNION REPORT

As in recent years there have been three major emphasis made this year in Training Union work in Eastern Association.

1. "M" NIGHT. The attendance dropped this year to 264, the lowest in recent years. The program was arranged in such a way as to be both interesting and informative. Rev. Gilmer Cross, pastor of First Church, Goldsboro, brought the message of the evening. It was felt that the low attendance was due, in part, to the fact that "M" Night was scheduled on the beginning night of the Week of Prayer for Foreign Missions in our churches.

2. YOUTH NIGHT. The Youth Night program was held in the Calvary Church in Warsaw with 149 attending and 17 churches represented. Miss Maxine Matthis, our Young People's Leader, led the program in an inspiring manner. Those present who had attended many other Youth Nights felt that this was one of the very best in many years. A student at Southeastern Seminary closed the program with a timely message to young people.

3. TOURNAMENTS. The tournaments were held in the First Baptist Church of Warsaw. Participation was meager in the four tournaments with the greatest interest shown in the Speaker's Tournament. Let us all resolve, even now, to go back to our churches and begin making plans for fuller participation in each of these events next year. It will cost much in effort and planning to build up our tournaments, but with more enthusiastic participation we can bring glory upon the Kingdom of God more creditably.

The biggest news in Training Union work this year is the new Adult Program. It is designed with more flexibility than the old program. Your Director and his wife attended the Leadership Conference at Ridgecrest this past spring. Part of the benefit of being there was to see demonstrations of how the new Adult program works. May we recommend it to the churches without reservation. Do not be afraid to change from your old program, for much planning and prayer have gone into the new one.

Let us strive to make the next our greatest ever in the training of Christians to do the task our Lord has given us. The condition of our world makes this imperative.

Respectfully submitted,

D. E. Parkerson

## REPORT OF WOMAN'S MISSIONARY UNION

Woman's Missionary Union has just closed its 75th Anniversary Year. It has been a good year, for we have looked back into past history, and have been challenged by the VISION and FAITHFUL EFFORTS of missionary women like: Miss Annie Armstrong, Miss Lottie Moon, Miss Kathleen Mallory and many others, along with Miss Macy Cox, Mrs. Janie Herring and Mrs. Grover Britt here in our own Association. How we thank God for women like these, along with others, who have blazed the trail for our Lord through Woman's Missionary Union.

Yes, this has been a good year in the Eastern Association, even though we have failed to accomplish all we had hoped to, we are grateful for the progress we have made. Most of our churches set high Anniversary goals and many reached their goals, and some few even went beyond. This has also been a year of study, for many of the churches have had four Mission Study courses, when heretofore we have been having only two. One of our outstanding accomplishments this year has been our Prayer Retreats held in our local churches, for Christians are at their best when they are praying. Dr. R. G. Lee said: "When we work with people, we get what people can do; when we work with education, we get what education can do; when we work with science, we get what science can do; but when we pray, we get what God can do." We have not only increased our studying and praying, but also our giving, for many churches have reported increased giving to their Special Offerings. I am also happy to report that two YWA's and four Sunbeam Bands have been organized this year. Several Woman's Missionary Societies have grown to the extent that new circles have been formed, while other WMS have lost some circles.

We held our Leadership Conference in October, at Calvary Baptist Church in Warsaw, with two hundred and twenty ladies attending. Our Leadership Conference was led by our Associational officers followed by a Prayer Retreat.

Our Annual Woman's Missionary Union Meeting was held in April, at the Mt. Olive Baptist Church, with two hundred and twenty-four in attendance. This was a great meeting as we celebrated our 75th Anniversary. Mrs. Emily Walkingstick from the Cherokee Reservation was our guest speaker. She talked to us about the Indian people and their needs, and when she told of how some of our Baptist churches there were being closed because of lack of equipment and leadership it was plain to see that she had touched the soft spot of our hearts. She pled with us for our prayers, our concern, and support. After hearing her appealing message, our women took an offering in the amount of $142.33 to give her to carry back to the Indian Reservation to be used by our Baptist Missionaries there.

While the Woman's Missionary Union was celebrating their 75th Anniversary, the GA's were celebrating their 50th Anniversary. In observance of their 50th birthday, we held a banquet at Clinton First Baptist Church in January with 150 GA's and their counselors attending. Many of these came dressed in costumes of long ago which added much to the festivity of the occasion. Miss Mary Hester Powell, missionary to Nigeria, was our guest speaker. A GA rally was held at the Warsaw Baptist Church in the spring with 195 attending. GA groups from two churches held a one-day camp at the Cliffs of the Neuse.

EASTERN BAPTIST ASSOCIATION
Map by Eugene B. Hager
January 1962

Woman's Missionary Union is a great organization influencing the whole church for missions, but when we think of two billion people still unreached for Christ, and many of these in our own Association, and that there are more converts to Communism than to Christianity, then our task becomes tremendous. The Woman's Missionary Union here in Eastern Association shall continue to spread the Gospel among these people, for we are truly "Laborers Together With God."

## WORLD MISSIONS REPORT

World Missions is the presentation of the gospel of Jesus Christ to all the peoples of the world, both at home and abroad, with the purpose of leading them to personal faith in Christ and obedience to his will.

Christ commanded nothing less than the spiritual conquest of the entire world (Matt. 28:19-20). He commanded that the gospel be preached to every human being, regardless of the enormity of the task. His instructions and provisions for every disciple was to make them dynamic witnesses to his person, power, and grace (Acts 1:8). His method was the proclamation of the truth (Luke 24:46-49) and the practice of love (John 13:35).

Every church is committed to this task of reaching all the peoples of the world. The Foreign Mission work of our Southern Baptist Convention is one means we have of strengthening World Missions. As of May, 1963, the number of missionaries on foreign fields in active service was 1,685. These are serving in 53 countries.

At the end of 1962, there were more than 790 urgent requests for new missionaries. Among the most pressing needs are those for people in field evangelism and church development, theological education, nursing, student work, and religious education.

World Missions challenge us to give life and resources. World Missions is the one purpose of the Christian and the Church. Home Missions provide the foundation for World Missions: churches established, people won to Christ, money given for missions, people answering God's call. These and other basic needs for world missions are provided by Home Missions.

Almost 2,000 home missionaries render numerous ministries to lead people to accept Christ and develop them into strong Christians.

The mission responsibility of every Christian begins in his local community and extends to all the world. Through State mission programs Southern Baptists accept mission opportunity within the state, and develop a home base from which they conduct a world mission ministry.

The world mission responsibility of the church begins at home because there are people without Christ at home, and because a strong home base is essential to a world ministry.

World Missions by Southern Baptists must begin with a vital Christianity at home because the quality of our lives and witness here determines to a great degree the effectiveness of the witness of our missionaries on their fields of service.

Mission concern in the churches will be expressed in a more generous allocation of offering plate dollars for world missions through the Cooperative Program, in prayer for the world's people and for Southern Baptist enterprised, and in dedication of life to Christ for use in building and extending His kingdom on earth.

Associational missions strengthen our witness for World Missions in promoting every phase of the work in all departments of our church life. Our commendation and prayers are for Rev. Eugene B. Hager, our Missionary, for thus helping to further World Missions in Eastern Association.

In closing, may we remember that our Lord said (Luke 16:15): "Go ye into all the world, and preach the gospel to every creature."

Let us pray therefore, that we may joyfully assume our obligations to World Missions in all areas of our Southern Baptist work. We can do this through the Cooperative Program of World Missions, which is a channel through which individuals may respond to the Great Commission and send the good news to the ends of the earth. One by one we reach out to the peoples of the world through the Cooperative Program.

Respectfully submitted,

Mrs. Arnold Davis

## RESOLUTIONS COMMITTEE REPORT

Inasmuch as the Lord has so wonderfully and graciously blessed the one hundred and thirty-sixth annual session of the Eastern Missionary Baptist Association, be it resolved that we express our grateful and heartfelt thanks:

1. To our Associational Missionary, the Rev. E. B. Hager, for his year of hard work including the preparation of the book of advance reports.
2. To the Siloam and Evergreen Churches for the privilege of meeting in their community and for the fine meal Tuesday; and to Turkey, Beulah, and New Hope churches for preparing and serving the delicious meal on Wednesday.
3. To our moderator, the Rev. Milton Boone, who did a wonderful job in keeping us in order and on schedule.
4. To the representatives of the agencies of our convention who appeared on our program; and to the Rev. Hugh Ross Williams, Dr. J. E. Tull of Southeastern Seminary and Mr. M. O. Owens of Gastonia, N. C., for their challenging and inspirational messages.
5. Furthermore, we urge that we take seriously the command of our Lord to dedicate ourselves to the task of winning the lost to Christ and to train them in Christian service. We urge that the truths and visions gained during these two days be made a living reality and that our Moderator dedicate us by prayer to that purpose.

WHEREAS, the North Carolina Baptist State Convention meets in Wilmington this year on the dates, November 12-14, and

WHEREAS, Wilmington is within commuting distance of any church in Eastern Association, eliminating the necessity of hotel or motel costs while attending the Convention, and

WHEREAS, there is annual need for greater representation from the lay people of our churches at the Baptist State Convention, and

WHEREAS, there are many major items of business to be considered at the Convention and many important decisions to be made which will affect the life and work of our Convention for all the years to come;

THEREFORE, BE IT RESOLVED, that those of us who are attending this annual meeting of Eastern Association make an honest and thorough effort in our respective churches to encourage full representation from our lay members at the Convention, and

BE IT FURTHER RESOLVED, that the messengers and pastors of this annual meeting of the Association make a thorough effort to be fully informed on the issues to be discussed at this Convention and frankly and openly discuss these issues with the prospective messengers from our churches to the Convention, that they, too, may be well informed, thereby enabling them to vote on all matters intelligently according to the dictates of their own conscience and their own best judgment.

Respectfully submitted,

D. E. Parkerson, Chm.

## MINUTES OF THE FIFTY-FIFTH

## W. M. U. ANNUAL MEETING

The Fifty-fifth Annual Meeting of the Woman's Missionary Union of the Eastern Association was held April 8, 1964 at Warsaw First Baptist Church.

The theme of the meeting was "FOR LIBERTY AND LIGHT." After an organ prelude the meeting opened with the singing of the hymns "To God Be the Glory" and "O God our Help in Ages Past."

Mrs. Jim Brisson brought an impressive devotion using the words; "Liberty", "Light" and "Love".

Mrs. Chambers, W. M. U. President of the Warsaw First Church, welcomed the group.

Mrs. Edwin Peterson, Associational W. M. U. President, offered prayer and presided over business session. The new pastors, their wives, and visitors were recognized; also organizations in the Association that had been outstanding in their work.

Mrs. Peterson announced that Eastern Association W. M. U. won honor recognition at the State meeting.

The roll was called by the secretary with 261 people attending, representing 35 churches.

The following Committees were appointed: Time and Place: Mrs. F. F. Oakley, Mrs. Wayne Wheeler, Mrs. Matt Melson. Appreciation Committee: Mrs. Elizabeth Keith, Mrs. L. C. Spencer and Mrs. Gordon Cashwell.

Jubilee Emphasis was given by Associational officers in their reports.

Special music "Teach Me to Pray" was given by Mrs. B. D. Lloyd.

Miss Theresa Anderson, Missionary to the Phillipines, brought the morning message. She asked the question, "Do you have heart trouble?" using the scripture verse, "He has set the world in their hearts." Ecc. 3:11. She reminded us that we have only 3 missionaries working among a quarter million Chinese in Manila. She also mentioned receiving a cable telling about a fire that had destroyed all her personal belongings which she had accumulated for 15 years; and those of her Chinese Missionary friend who shared her apartment. Since we wished to have a part in helping her to get started again an offering was taken amounting to $123.35. The W. M. U. supplemented this with $76.65 from our Associational treasury to make $200.00.

At the noon hour a bountiful lunch was served by the ladies of the Warsaw First Church.

The afternoon session opened with the singing of the hymn "God of Our Forefathers." A dramatization entitled "To God be the Glory" was presented by the Warsaw church, at which time we relived the beginning days of our first missionaries, Adaniram Judson, his wife, Ann, and Luther Rice.

During business session, Miss Anderson thanked the ladies for the generous offering. Rev. Jack Mansfield told about the R. A. and G. A. Camp to be held this summer.

Time and Place Committee reported that the Leadership Conference would be held at Garland Church in October and the Annual Meeting with the Kenansville Church in April. The appreciation Committee expressed thanks to the Warsaw Church for their fine hospitality.

The Nominating Committee gave their report, recommending the officers who were elected and installed for 1964-65.

Mr. Hager led in prayer of dedication. A trio from Grove Park sang "O How I Love Jesus."

Mrs. James P. Morgan thrilled us and even chilled us as she brought a thought provoking message on "Youth for Christ — Now". She spoke on the commotion and combustion among our young people, but then she turned our attention to the fact that youth are willing to commit themselves to a higher power — to Christ, if we will show an interest in them, pray for them and set the right example before them. The challenge is tremendous, she said, so we must get busy in leading our young people to Christ — NOW.

The meeting closed with prayer.

Respectfully submitted,
Mrs. Edwin Peterson, President
Mrs. B. C. Lamb, Secretary

## CHURCH COVENANT

Having been led, as we believe, by the spirit of God to receive the Lord Jesus Christ, as our Saviour, and upon the profession of our faith, having been baptized in the name of the Father, and the Son, and the Holy Ghost, we do joyfully enter into covenant with one another as one body in Christ. We engage, therefore, by the aid of the Holy Spirit, to walk together in Christian love, to strive for the advancement of this church in knowledge, holiness and comfort, to promote its prosperity and spirituality; to sustain its morship, ordinances, discipline and doctrines, to contribute cheerfully and regularly to the support of the ministry, the expenses of the church. We also engage to maintain family and secret devotion, to religiously educate our children, to seek the salvation of our kindred and acquaintances; to walk circumspectly in the morld, to be just in our dealings, faithful in our engagements and exemplary in our deportment; to avoid all tattling, back-biting and excessife anger, to abstain from the sale anl use of intoxicating drink as a beverage and to be zealous in our efforts to advance the Kingdom of our Saviour. We further agree to watch over one another in prayer, to aid each other in sickness or distress, to cultivate Christian sympathy in feeling and courtesy in speech; to be slow to take offense and always ready for reconciliation and mindful of these rules of our Saviour—to secure it without delay. We moreover engage that when we remove from this place we will as soon as possible unite with some other church where we can carry out the spirit of this covenant and principles of God's Word.

## MISSIONS COMMITTEE REPORT

The Missions Committee has held meetings prior to each quarterly meeting of the Associational Council this year. The Committee received reports from our missionary of the work done; and his suggestions were studied by the committee and presented to the Associational Council. The council helped with the carrying out of the suggested work of the missionary and committe.

We have been encouraged this year by the interest and work of the churches in the Baptist Jubilee Revivals held during the month of March, and also to the emphasis given to Baptist history and doctrine. We have participated in groups to study for a better leadership in the churches. We have worked toward carrying out the calendar of activities adopted by the Association.

We wish to commend the association for the privilege of being able to expand the living quarters of the missionary's home. This added space has added to the usefulness, convenience and comfort of the family.

We look forward to carrying on the work of our association as outlined for us including a School of Missions in 1968.

We wish to express our appreciation for the fine work done by our missionary and the encouragement given to us by all the churches of the association.

It is the purpose of the Missions Committee to help with the supervision of the work carried on by the association. We earnestly solicit your prayers and every assistance in this work. We believe that by working together we can enlist, instruct and inform our people in the association to do a greater work for our Lord.

Respectfully submitted,

Millard M. Johnson

## MISSIONARY'S REPORT

This is a significant year for Baptists in North America. It is the 150th Anniversary of the first Baptist Convention on this continent. It was formed under the influence of Luther Rice for the support of missions. The emphasis this year has been upon evangelism and Baptist History and Doctrine. It has been a joy to serve in Eastern Association this past year and participate with you in many of these activities.

Plans for the future are:

1965—School of Music. Also Church-Commmunity Surveys and maps.

1966—Emphasis: Strengthening the Sunday School. School of Study for Sunday School Workers: also, Sunday School Enlargement Campaigns.

1967—School of Missions, October 22-27.

During the past year I have been privileged to render some type of service in 25 or more of our churches. I served in 14 of these more than once (three or more times in 8 of them). Here are some additional statistics on my work during the past year:

Preached—26 times in the association, 9 times outside; Taught study courses—8 times; Met with Pulpit Committees—8 or more times; Helped two churches with Church-Community Surveys and maps.; Helped with Associational Youth Camp; Attended 23 or more meetings in Eastern Asociation; Attended 19 meetings outside the association; Conferences: Individual—369 plus, Group—45, Committee—9; Miles traveled in my work—about 14,800; Prepared Book of Reports, Calendar of Activities, and other materials; Prepared and mailed about 265 copies of The Eastern Light each month; Helped the Baptist State Convention in several Church-Community Surveys and one School of Missions.

If I can be of service to you or your church, please call on me.

Respectfully submitted,

Eugene B. Hager

## TRAINING UNION REPORT

There are three major meetings in the course of an associational year in Eastern Association. During the past year there was an additional one of major importance.

1. "M" NIGHT. The attendance at this service was 349, considerably above that of last year. Mr. Claude Gaddy, former Acting General Secretary-Treasurer of the Baptist State Convention of North Carolina was the speaker. The program was designed in such a way as to inspire and also inform those present from the churches of the latest developments in Training Union Work, particularly the new Adult program and the upcoming (at that time) new Young People's program. Those who attended remarked that this meeting was a most helpful meeting. Warsaw First won the Attendance Banner, and Calvary Church won the Efficiency Banner.

2. YOUTH NIGHT. This annual highlight for our young people was held in the Garland Church with 140 attending and 14 churches represented. Miss Maxine Matthis, our Associational Young People's Leader, led the program in her usual outstanding manner. A student from Southeastern Seminary closed the evening's program, which had already featured fun, food, and fellowship, with an inspiring and worshipful message.

3. TOURNAMENTS. The tournaments were held in the Turkey Church. Participation was still not as good as it should have been, but there were more participants than the year before. Let us resolve to make whatever efforts necessary toward having more participants in each of these tournaments next Spring. Of the three major emphasis in the annual calendar in Training Union work in our Association the Tournaments have the least support. Miss Mary Jewel Shipp went on from our Association to win first place in the Regional Speaker's Tournament (for the 17-19 year old age group).

4. LEADERSHIP LEARNING CLINIC. A Learning Clinic was held at the First Church, Warsaw, for those in the Intermediate, Young People's and Adult Departments. The purpose of this Conference was to train our leaders in the organization and promotion of the new Adult Training Union Program and the new Young People's Program, not released at that time. Leading the conference for Adults was D. E. Parkerson. Dr. Mett Ausley, layman at Warsaw First Church led the Intermediate and Young People leaders. Both leaders had attended for a full week the Southwide Leadership Clinic, held in Greensboro, N. C., last Spring. The attendance was good at this clinic and the participation was excellent. Your Director believes that it was of great benefit to those who attended and to their churches from which they came.

Several Adult Departments in our Association have already begun following the new program and others are on the way. As your Director I would like to urge more churches to try this new organization and follow the new plans. If followed properly they can revolutionize the whole Training Union. And the Training Union programs, both the dated and the undated lessons, are the best ever produced by Southern Baptists.

So much for the report of our work last year. We now face a NEW year. God will not give us the church year of 1964-65 but once. Let us make the most of it. The future belongs to those who look ahead and prepare for it.

Respectfully submitted,

D. E. Parkerson

## W. M. U. REPORT

As Woman's Missionary Union comes to the close of the Baptist Jubilee Year, we come rejoicing for the spiritual heritage that is ours. Yes, our souls have been warmed and challenged as we have looked back over 150 years of Baptist work in America, and seen dedicated people like Luther Rice, Adoniram Judson, Fannie Heck, Annie Armstrong and many others who have given us a strong spiritual foundation on which to build. We need to seriously ask ourselves this question, "What kind of heritage are we leaving for others?"

Woman's Missionary Union has had a good year here in the Eastern Asociation. Even though we have failed to accomplish all we had hoped to, we are grateful for the progress that had been made. Most of our churches set Jubilee goals, and many reached their goals. There has been more Mission Study courses this year, also our W. M. S. members have been encouraged to read the New Testament through, and study Baptist Ideals during the year. Prayer Retreats have been held in many of the local churches. I wish I could boast of every church having a Prayer Retreat, but this is one of our weak places—not enough praying. Many churches have reported increased gifts to the special offerings. These gifts represent, not only money, but love and concern for lost people. I am happy to report that we have organized on Y. W. A., one G. A. and one Sunbeam Band this year. Several Woman's Missionary Societies have grown to the extent that new circles have been formed, while others have lost some members.

We held our Leadership Conference at Rose Hill Baptist Church, on ctober 15, 1963, with 180 ladies attending from twenty-eight churches. We were blessed by having three state W. M. U. workers to help with this conference, namely: Mrs. R. L. Costner, Community Mission Chairman; Mrs. Hoyle Allred, Mission Study Chairman; and Mrs. Gilmer Cross, Prayer Chairman, who led their respective conferences. Our Associational officers led the other conferences.

Our annual session of Woman's Missionary Union was held April 8, 1964, at the First Baptist Church in Warsaw, with 260 in attendance from thirty-five churches. Miss Theresa Anderson, Missionary home on furlough from the Philippines, was our guest speaker. She spoke on "Heart Trouble for the Lord". She urged us to really let our hearts break for the Lord, as we see and hear of lost people. She told us that her apartment in the Philippines, which she shared with a Chinese Companion, had burned with all her fifteen years accumulations. Our people were concerned about her loss, so took an offering that amounted to $123.35. We supplemented this amount with $76.65 from our W. M. U. associational treasurer to make a $200.00 gift. We gave $150.00 to Miss Anderson, and sent $50.00 to her Chinese companion to help them get started again. Mrs. James P. Morgan was our guest speaker in the afternoon. She spoke on the topic "Youth for Christ — Now!" She said that many of our young people are in a state of commotion, and even combustion, but are willing to commit themselves, yes, even to Christ, if they are loved and encouraged by the right examples.

Two G. A. rallies were held. One at Baer Marsh Church and the other one at Concord Church, with 244 in attendance.

Now for our recognition this year—Calvary's ungraded G. A. was our only Honor organization, while Warsaw, First W. M. S. and Calvary's W. M. S. had state recognition on attaining 75th anniversary goals. Eastern Association Woman's Missionary Union, also won Honor recognition. Thank all of you who helped to obtain this recognition, but let us try to multiply these figures in 1964-65.

Woman's Missionary Union is especially proud of its contribution to our Youth Camp at Pineland College this year. Fourteen of our ladies served as counselors for the 119 girls who attended camp. These counselors rendered a noble service.

Yes, Woman's Missionary Union is a great organization, but it has a great task to perform in helping, "The Church fulfill its mission through Worship" next year. We do accept the challenge for we are truly "Laborers together with God".

Respectfully submitted,

Mrs. Edwin Peterson,
W. M. U. President

## RESOLUTIONS COMMITTEE REPORT

The 137th session of the Eastern Baptist Association having been brought to a successful close, with rich blessings for all attending, be it resolved that this body express our deep appreciation.

To the host churches, Piney Grove, Mt. Vernon, Sharon and Dobson's Chapel for their more than gracious hospitality and

To their pastors, Arnold Keaton, Ernest Whelchel and Lamar Eiland for their leadership in these hospitable arrangements,

To our able moderator Milton Boone, clerk Paul Mull and acting Associate Clerk E. F. Knight for their orderly and efficient service;

To all the program personalities both local and visitors for their fine jobs in providing information and inspiration and especially

To Delmar Parkerson for the annual sermon which thrilled us all and brought Glory to our Saviour;

And to Eugene Hager for the preparation necessary for the orderly progress of our meeting.

Furthermore we urge that we study our attitudes toward worship and our worship practices in this year of "worship" emphasis and make every effort to make it truly a year to the Glory of the God whom we adore.

Respectfully submitted,

Wayne Wheeler

## CHURCH COVENANT

Having been led, as we believe, by the spirit of God to receive the Lord Jesus Christ, as our Saviour, and upon the profession of our faith, having been baptized in the name of the Father, and the Son, and the Holy Ghost, we do joyfully enter into covenant with one another as one body in Christ. We engage, therefore, by the aid of the Holy Spirit, to walk together in Christian love, to strive for the advancement of this church in knowledge, holiness and comfort, to promote its properity and spirituality; to sustain its worship, ordinances, discipline and doctrines, to contribute cheerfully and regularly to the support of the ministry, the expenses of he church. We also engage to maintain family and secret devotion, to religiously educate our children, to seek the salvation of our kindred and acquaintances; to walk circumspectly in the world, to be just in our dealings, faithful in our engagements and exemplary in our deportment; to avoid all tattling, back-biting and excessive anger, to abstain from the sale and use of intoxicating drink as a beverage and to be zealous in our efforts to advance the Kingdom of our Saviour. We further agree to watch over one another in prayer, to aid each other in sickness or distress, to cultivate Christian sympathy in feeling and courtesy in speech; to be slow to take offense and always ready for reconciliation and mindful of these rules of our Saviour—to secure it without delay. We moreover engage that when we remove from this place we will as soon as possible unite with some other church where we can carry out the sprit of this covenant and principles of God's Word.

## MISSIONARY'S REPORT

This past year the emphasis in all of our work has been on Worship. Beginning with our January Bible Study on Deuteronomy and in all of the departments of our work, we have been led to realize anew the significant place worship has in our Christian living and service.

This year the emphasis will be "A Church Fulfilling Its Mission Through Proclamation and Witness." We are in our second year of the Adult Thrust in the Sunday School. In all of the program of our various department of work, we will be challenged to bear our witness for Christ.

Plans for the future are:

1965—School of Music. Also Church-Community Surveys and maps.

1966—Emphasis: Strengthening the Sunday School. School of Study for Sunday School Workers; also, Sunday School Enlargement Campaigns.

1967—School of Missions, October 22-27.

It is a real joy for me to serve as your Associational Missionary. On September 3rd. I moved on the field and assumed my duties. Although we have not been here long, I have visited ten churches, preached two sermons, attended one Pastors' Conference, attended our Associational Sunday School Preparation Week clinic in Clinton, attended the regional Evangelism Clinic at Goldsboro; Prepared and mailed out around 200 copies of The Eastern Light, attended our Associational Budget Committee meeting, and have held some 10 conferences with pastors and associational officers.

I am here to serve you. Feel free to call on me if I can be of help to you.

Respectfully submitted,

J. Henry Simpson, Jr.

## TRAINING UNION REPORT

These are exciting days for the ministry of Training Union. Many new ideas, new materials, and a new seriousness to our need for Christian Training are coming to us through our Training Union.

This has been a good year for Training Union in Eastern Association. This has been evidenced by the fact that you have participated well and in good number at our Annual Associational Training Union Activities. Our year got off to a fine start with "M" Night on December 7 at First Baptist Church. There were 20 churches represented with 461 in attendance. Highlight of the evening was the message brought by Reverend Charles Stevens, Associational Missionary, New South River, who spoke on the theme 'That Men Shall Worship Him".

Miss Maxine Matthis, our Young People's leader reports one of the best attended Youth Night's in several years. There were 133 present with 21 churches represented. Meeting at Grove Park on March 20, with the theme "Problems of the Teenager", Youth Night included a Singspiriation led by Mr. C. G. Edge, Jr.; a period of fellowship, and Buzz session. These special buzz sessions included: Drinking, led by Rev. D. P. McFarland; Juvenile Delinquency, Mr. Graham Butler; Ridicule, Rev. Ken Nixon; Emotional Problems, Rev. Jim Kirstein, and Educational Problems, Mr. J. T. Denning. The program was concluded with a challenging message by Rev. D. P. McFarland, Director of the Christian Action League, Raleigh, N. C.

Our Training Union Tournaments showed some improvement in participation and attendance. The attendance increase was partly due to a change in the meeting from Sunday afternoon to a week night. The tournaments were held on March 29 at Rose Hill Baptist Church. There were thirty-two participants in the Junior Memory Work with thirty-one winners reported. Each of these Juniors participated and were winners in the Regional Tournaments. Four people participated in Adult Scripture reading, the winner being Mrs. J. D. Evans from Poston Baptist Church. Mrs. Evans was regional Runner-Up. There was only **one** participant, Johnny Hamilton, in Young People's speakers tournament. He was Regional runner-up in 17-19 age group. Johnny is from Clinton, First. Again, there were **no** participants in Intermediate Sword Drill.

We have 27 Training Unions in Eastern Association with an enrollment of 2133.

Respectfully Submitted

Billy Adkerson

Training Union Director

## WOMAN'S MISSIONARY UNION REPORT

Woman's Missionary Union has had a good year in Eastern Association this year, as we have emphasized "Worship" in helping "The Church Fulfill Its Mission". There have been more Mission Study classes, with more people reading mission books—thus enlarging our vision. Prayer Retreats have been held in many of the local churches, but here again we fail to do enough praying. Nineteen churches reported increased gifts to the special offerings, while other churches held their own or slipped a little. The WMS has promoted the studying and teaching of the Missionary Messages of the Bible this year with only a few churches participating. Several churches have started new organizational work during the year. A quick look at the new organizations reveals that we have two new YWA's, one GA, with several of our ungraded GA's dividing into Junior and Intermediate GA's. Two new Sunbeam Bands were started and four (4) new circles were formed.

We held two Leadership Conferences last fall for the convenience of our WMU ladies. The daytime conference was held at Mt. Olive, October 15, 1964, and the night conference was held at Garland, October 22, 1964. A total of 245 ladies came for training from 32 churches.

The annual meeting of Woman's Missionary Union was held April 7, 1965 at the Baptist Church in Kenansville, with 252 in attendance, from 37 churches. Rev. Calhoun Johnson, missionary home on furlough from Chile, was our guest speaker. He challenged us as he spoke on the subject "Perfect Love Casteth Out Fear." In discussing some of the common fears, Rev. Johnson mentioned fear of failure, fear of suffering, fear of getting old, fear of poor health, fear of death, and fear of Jesus Christ. Then he reminded us again that "Perfect Love Casteth Out Fear". Oh! how we need to love! The afternoon session was devoted to a Prayer Retreat, lead by Mrs. John Fonville. Miss Mary Hester Powell, missionary home from Nigeria, gave thoughts on "Prayer and the Holy Spirit". She related experiences on the mission field where the Holy Spirit gave direction, help, and joy in solving problems. Mrs. James Parker presented an excellent study on what the Bible teaches concerning prayer.

Our YWA's have been on the move in our Association this year. Their outstanding activities include: organizing an Associational YWA Council with a full slate of officers; and Associational Banquet at Rose Hill in February with 90 people attending. Miss Sarah Ann Hobbs, State YWA Director, was guest speaker for this occasion. Then, this summer the YWA's had a picnic, climaxed with a Prayer Retreat at Poston Church.

The Associational GA rally was held in April at the First Baptist Church in Clinton, with 245 people attending. Mr. Bennett Straughn, guest speaker, brought an interesting and inspiring message with his chalk talk which thrilled and challenged the GA's.

A Sunbeam Leadership Course was taught for Sunbeam workers last week at First Baptist Church in Warsaw. Mrs. Louise Burgess, State Sunbeam Director, taught the course. Twenty (20) leaders came for training.

Now for our WMU recognition this year—Certificates were awarded to five (5) Honor Junior GA's, namely: Calvary, Rose Hill, Siloam and Clinton First, with two (2) Honor Junior GA groups. Johnson's

Church was recognized for having all its WMU organizations attain some recognition. Eastern Association Woman's Missionary Union also won Honor recognition again this year. Thank all of you who helped to attain this recognition, but let us try to multiply these figures in 1965-1966.

Woman's Missionary Union is proud of the contribution it made to our Associational Youth Camp at Southwood College this summer. Ten (10) of our ladies served as counselors for the GA girls who attended. These counselors served in a noble manner.

Yes, Woman's Missionary Union is a great organization, with a great task to perform in helping "The Church Fulfill Its Mission Through Proclamation and Witness" in 1965-1966. We do accept the challenge for we are truly "Laborers Together with God".

Respectfully submitted,
Mrs. Edwin Peterson,
WMU President

## RESOLUTIONS COMMITTEE REPORT

Whereas: God has wonderfully blessed us in the 138th Annual Meeting of the Eastern Baptist Association on October 5th and 6th, 1965 held at the Rowan and Wells Chapel Baptist Churches, so be it resolved that we express a deep and abiding gratitude and appreciation to:

1. The host churches, Rowan Baptist Church on the first day and Well's Chapel Baptist Church, assisted by Poston Baptist Church on the second day for the gracious way in which we were entertained and served a delicious and bountiful meal each day;

2. The efficient officers of our association for their labor of love and particularly, our Moderator, Rev. Millard M. Johnson who has presided ably and steered us capably through these sessions;

3. The distinguished personnel who appeared on the program, both from our Association, from neighboring Associations and from our Baptist institutions and departments of our State Baptist work and we particularly appreciate the beautiful vocal contributions by Mrs. Margaret Lloyd;

4. The Program Committee for the excellent program which they arranged. It was equally inspiring and informing with both variety and purpose;

5. The Missions Committee for their untiring efforts which resulted in the calling of Rev. J. Henry Simpson, Jr., as our Associational Missionary. Brother Simpson has been on the field for only a short time, but he has already made his presence felt in the association.

Also we would like to recommend that this be a time of dedication for each individual and each church to a separation to serve our Lord and Saviour, Jesus Christ and a more diligent effort to make the Gospel known to all men both at home and through a cooperative world-wide witness.

Respectfully Submitted,
B. C. Lamb, Chairman

## CONSTITUTIONAL CHANGE

At a recent session of the Associational Council, it was called to our attention that if we are to properly promote a yearly camp for our youth, that it would be well to provide a Camp Committee, chosen by the Association in the same manner in which other Associational Committees are chosen.

In fact, the Associational Council meeting at Alum Springs Church approved such a move, and asked that the necessary amendment to the Eastern Baptist Association Constitution be made.

Therefore, we the appointed Committee on Constitutional Change bring the following unanimous report:

It is moved that the following change be made in the Constitution of the Eastern Baptist Association: Under Article 14, Section III and following (11) number (12) shall be added as follows: (12) CAMP COMMITTEE — The Camp Committee shall be composed of four (4) members, with the W.M.U. President serving as chairman. It shall be the duty of the Committee to plan for and promote a Youth Camp for the boys and girls of our Association, and to encourage participation in the State Baptist camps.

Committee:

Arnold Keaton

Jim Kirstein

Waldo D. Early, Chmn.

## CAMP REPORT

The Eastern Baptist Association Youth Camp was held July 5-9 at Southwood College, Salemburg, N. C. with 107 boys and girls in attendance. A faculty of seventeen provided supervision, instruction and inspiration. Of this number, ten were on the campus permanently. Instructional features included mission study books, G. A. and R. A. work, and a fine film and discussion on alcohol. Inspiration was provided by a tour of the Bible lands by Williams Jones, messages from pastors in the association, and by the messages of Mr. and Mrs. Takashi Yoshizu, Japanese pastor and wife studying in our country. Planned recreation included swimming, softball, crafts, basketball, stunt and talent night.

The outstanding time of camp was the campfire consecration service on Thursday night. Ten boys and girls made professions of faith and fifteen made consecration decisions.

One thing marred the general sense of accomplishment and that is the fact that many boys and girls missed the camp. Several reasons account for this. It was a week later than last year and many were already working in tobacco. Also the camp did not receive local church promotion necessary in some cases. This resulted not only in the boys and girls missing camp but also that the camp had to operate on a deficit. Two choices were open to the camp committee. Either operate on a deficit for those who had already planned to attend or cancel the camp altogether. The college had already ordered perishable food and had made preparation for us. It seemed the part of wisdom and the leadership of the Holy Spirit to continue. The service on Thursday night seemed to bear this out. Expenditures were cut as far as possible. Roughly they were as follows:

| | |
|---|---|
| Southwood College | $1,500.00 |
| First Aid | 5.45 |
| Craft Materials | 2.17 |
| Rev. Yoshizu | 20.00 |
| Travel for Missionary | 10.00 |
| Commercial Printing | 14.22 |
| Hart | 1.68 |
| Insurance | 58.50 |

Roughly a deficit of $290.00.

In this light, I make the following recommendations to be acted upon separately:

1. That the association assume the deficit of the camp.
2. That the constitution committee be instructed to prepare an amendment to the constitution which would provide that the Camp Committee be a permanent committee of the association to be chosen in the same manner as the other eleven committees.
3. That the budget committee study the matter of including in the budget an amount adequate to insure the proper administration of a camp.

Respectfully submitted,

Wayne Wheeler
